

ORDINANCE NO. 2024- ____

Town of Scott, Burnett County, Wisconsin

AN ORDINANCE RESTRICTING CERTAIN ARTIFICIAL WAKE ENHANCEMENT

WHEREAS, in the interest of public health, safety, and/or welfare, including the public's interest in preserving natural resources, the Town of Scott ("Town") has the authority to enact ordinances covering waters within its jurisdiction if the ordinances are not contrary to or inconsistent with Chapter 30, Wis. Stats., and they relate to the equipment, use, or operation of boats or to any activity regulated by Sections. 30.60 to 30.71, Wis. Stats.; and

WHEREAS, there exist within the Town numerous lakes; and

WHEREAS, artificially enhanced wakes can cause environmental damage to lakes and lakeshore, including resuspension of sediment adding nutrients to the water and increased risk of algal blooms, turbidity, shoreline erosion, and threats to aquatic life and waterfowl; and

WHEREAS, boats with ballast systems increase the likelihood of aquatic invasive species being introduced and spread on lakes; and

WHEREAS, artificially enhanced wakes can damage shoreline, lake bottom, moored boats, and shoreline structures including docks; and

WHEREAS, operating boats in a stern down manner creates downward prop wash, disturbing the lake bottom far below the wave zone, 20 feet and more below the surface; and

WHEREAS, artificially enhanced wakes can endanger swimmers, anglers, and other watercraft; and

WHEREAS, the use of ballast and wake enhancing fins can cause unsafe operation by causing the bow to rise obscuring vision forward; and

WHEREAS, the Town submitted a draft of this ordinance to the Wisconsin DNR for advisory review at least 60 days prior to passage, pursuant to 30.77(3)(d), Wis. Stats.; and

WHEREAS, the Town has conducted a public hearing as required by 30.77(3)(aw) Wis. Stats in view of the ordinance extending to certain lakes which have over 60% of their shoreline in the Town, but which each extend into a second town; and

WHEREAS, the Town Board, after considering public comments and any DNR suggestions, determines that adopting this Ordinance is consistent with all other ordinances of the Town and would promote the public health, safety and welfare, including the public's interest in preserving natural resources;

NOW, THEREFORE, the Town board of the Town of Scott, Burnett County, Wisconsin, does hereby ordain as follows:

Section 1. Applicability and Enforcement: The provisions of this ordinance shall apply to all waters wholly within the Town of Scott, Burnett County, Wisconsin and shall also apply to
